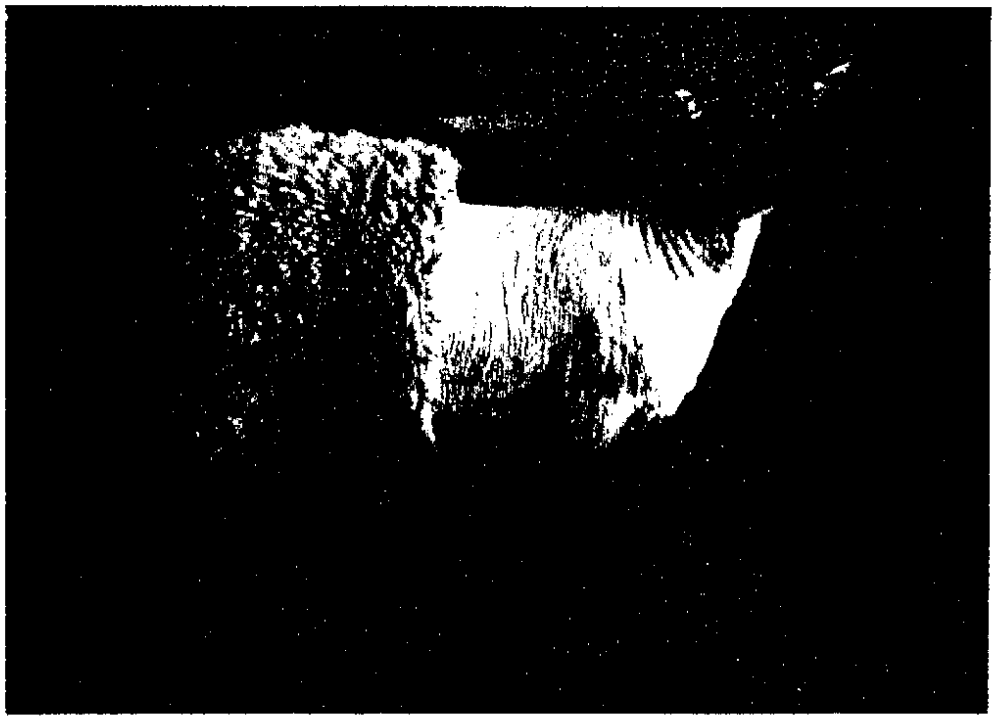
# There's a little of the non-conformist in everyone.



You don't want to be different
just for different's sake.
But you can smell
a good idea a mile away.
Sienna. A cigarette made for
your sense of smell.
As well as your sense of taste.

SURGEON GENERAL'S WARNING: Cigarette Smoke Contains Carbon Monoxide.

# SIENNA.
# It's not the same old smoke.
